

ISLAND
is an office
pod that thinks
outside the box.

...with the flexibility
to never box you in.

We have innovated a first-of-its-kind, endlessly expandable privacy booth. Think of it as an open office oasis, expertly designed so users can focus, recharge and find wellness in the workplace.

■ ABOUT HIMARK INNOVATIVE PRODUCTS

We know interior designers and architects do their best work with the creative freedom of flexible options. Island is a one-way ticket to wowing clients.
